LJUBLJANA
2024**

Silvan Omerzu, slovenski režiser, slikar in lutkovni umetnik, se v novo obnovljenem prostoru gradu – Kazematah predstavlja s prostorsko postavitevijo Mizoginija. Razstava na temo mizoginije – z lutkami, avtomati in sencami skozi zgodovinska obdobja – prikazuje dogodke, ki so usodno vplivali na odnose moških do žensk. Sestavlja jo trije osnovni sklopi (stari vek, srednji vek, novi vek), s prizori, ki si sledijo kot v križevem potu.

Kustos razstave je dr. Jure Mikuž,
glasba je delo skladateljice
Larise Vrhunc.

SILVAN OMERZU

MIZOGINIJA/MISOGYNY

Slovenian director, painter and puppet artist Silvan Omerzu presents the spatial installation Misogyny in the newly renovated area of the Ljubljana Castle – Casemate. The exhibition on the theme of misogyny, featuring puppets, automatons and shadows that lead viewers through various historical periods, shows the events that have had a decisive impact on relationships between men and women. It consists of three basic sections (Early Ages, Middle Ages, New Ages), with scenes that follow one another like the Stations of the Cross.

The curator of the exhibition is Dr Jure Mikuž, and the music is by composer Larisa Vrhunc.

Na osrednji kulturni praznik si boste lahko vsi obiskovalci brezplačno ogledali stalne razstave Slovenska zgodovina, Grajsko orožje in Lutkovni muzej, kratki film o zgodovini gradu v Virtualnem gradu ter se povzpeli na Razgledni stolp, od koder se odpira čudovit pogled na mesto pod Grajskim gričem. Otroci in odrasli boste lahko spoznavali raznoliko grajsko zgodovino na brezplačnih vodenih ogledih, ki bodo potekali skozi ves dan. Za vodene oglede se je treba vnaprej prijaviti. Vabimo vas, da 8. februar, dan spomina na največjega slovenskega pesnika dr. Franceta Prešerna, preživite v naši družbi.

PREŠERNOV DAN PREŠEREN DAY

On Slovenia's central cultural holiday, all visitors will, free of charge, have an opportunity to view the permanent exhibitions Slovenian History, Castle Weapons and the Museum of Puppetry, watch a short film about the history of the castle in the Virtual Castle, and climb the Viewing Tower, from where a spectacular view of the city beneath the Castle Hill opens up. Children and adults will be able to learn about the diverse history of the castle on free guided tours that will take place throughout the day (advance registration required). We invite you to spend 8 February, the day on which we commemorate the greatest Slovenian poet Dr France Prešeren, in our company.

ZIMSKE POČITNICE

WINTER HOLIDAYS

Med zimskimi počitnicami bomo otroke popeljali v skrivenostni svet čarodejskih coprnij, alkimističnih preizkušenj in zmajskih skrivnosti. Raziskovali bodo skrite grajske kotičke ter skozi vse dni reševali zaplet, da bi ga zadnji dan – tako upamo – razrešili. Če nam uspe, se bomo temu primerno prav po grajsko pogostili, še prej pa bomo zavihali rokave in kar sami pripravili vse potrebno, da bo zabava popolna. Saj zmajev pa res ne rešimo vsak dan! Doživljajska vodstva in ustvarjalne delavnice za otroke od šestega leta dalje bodo na sporedu med ponedeljkom in petkom, vsakič med 10. in 13. uro.

During the winter holidays, we will convey children to the mysterious world of sorcerer's magic, alchemy experiments and dragons' secrets. We will explore the hidden corners of the castle and, throughout our days together, get to the bottom of a mystery that we will (hopefully) solve on the last day. If we succeed, we will celebrate with an appropriate feast in the castle, but before that we will roll up our sleeves and prepare everything ourselves to make the party perfect. After all, it's not every day we save dragons! The interactive tours and creative workshops for children will be scheduled from Monday to Friday, between 10.00 am and 1.00 pm each day. They are suitable for children in the first three years of primary school.
