HANA KARIM

Fragmenti spominov

Fragments of Memories

Likovni jezik Hane Karim se premišljeno izrisuje na presečišču med fragmentom in celoto ter med nadzorovanim postopkom in naključnimi odstopanji. Njena prva samostojna razstava predstavlja zaokrožen pregled desetletnega raziskovanja, v katerem se keramika postopoma odmika od svoje prvotne uporabne funkcije in se odpira kot polje avtonomne vizualne izkušnje. V tem procesu avtorica vzpostavlja razmerja med obliko, površino, barvo in prostorom, ki postanejo temelj njene likovne poetike.

Hana Karim's artistic language is thoughtfully drawn at the intersection of the fragment and the whole, between a controlled process and random deviations. Her first solo exhibition presents a concise overview of a decade of exploration, during which ceramics has gradually moved away from its original utility and opened up as a field of autonomous visual experience. In this process, the artist establishes relationships between form, surface, colour and space, which become the foundation of her artistic poetics.

POLETNO POČITNIŠKO VARSTVO

SUMMER HOLIDAY CHILDCARE

Se sprašujete, kako otrokom popestriti poletne dni? Naj preživijo nepozabne poletne počitnice za mogočnimi grajskimi zidovi! Naša poletna varstva so zasnovana kot tematski programi, v okviru katerih kostumirani animatorji spodbujajo domišljijo, radovednost in pustolovski duh udeležencev. Otroci bodo raziskovali mite, legende in skrivnosti grajske preteklosti ter se preizkusili v različnih ustvarjalnih in gibalnih dejavnostih. Na voljo sta dva programa: prvi je namenjen ljubiteljem pravljic, drugi pa otroke popelje v zanimiv svet grajskega vsakdana.

Are you wondering how to spice up your children's summer days? Let them spend an unforgettable summer holiday behind the mighty castle walls! Our summer daycare is designed as thematic programmes in which costumed activity leaders inspire the imagination, curiosity and adventurous spirit of the participants. Children will explore the myths, legends and secrets of the castle's past and try their hand at various creative and physical activities. Two programmes are available: the first is intended for lovers of fairy tales, while the second conveys children to the fascinating world of everyday life at the castle.

V OBJEM GRAJSKIH ZIDOV SE VRAČA GRAJSKA BRALNICA, NA RAZGLEDNI STOLP PA GRAJSKI PISKAČI

Grajska bralnica je prijeten in miren kotiček v varnem zavetju grajskih zidov in obrambnega jarka. Obdana z zelenjem je namenjena domačim in tujim obiskovalcem Ljubljanskega gradu. Ljubitelji branja, listanja knjig in sprostitve se na vrhu mesta lahko udobno namestite v ležalnik in se prepustite lahkotnemu poletnemu razpoloženju v družbi prijateljice knjige! Grajsko bralnico boste našli v Obrambnem jarku pod mostom pred glavnim vhodom v grad. Od začetka junija do konca septembra vas ob sončnih koncertih tedna pričakujemo med 10. in 18. uro.

Na lesenem podestu, ki je bil speljan okoli **Stolpa piskačev** – prvič je omenjen leta 1544 –, so vsak dan ob 11. uri grajski piskači zatrobili na tri pozavne in kornet ter s tem naznanjali meščanom, da se bliža 12. ura in z njo čas kosila. Kdaj je navada zamrla, ni znano, viri pa jo omenjajo še v 17. stoletju. To muziciranje gotovo ni bilo njihov najpomembnejši nastop, a smo ga zaradi njegove simpatičnosti in grajske tradicije obudili. Dandanes se **grajski piskači** ne oglašajo s Stolpa piskačev, saj je bil hudo poškodovan; oglašajo se z Razglednega stolpa, in sicer vsako lepo soboto ob 11.30, od začetka junija do konca septembra.

THE CASTLE READING CORNER RETURNS TO THE EMBRACE OF THE CASTLE WALLS, AND THE CASTLE PIPERS RETURN TO THE VIEWING TOWER

The Castle Reading Corner is a pleasant and quiet spot in the shelter of the castle walls and the defensive moat. Surrounded by greenery, it is intended for domestic and foreign visitors to the Ljubljana Castle. Lovers of reading, leafing through books and relaxation... make yourselves comfortable in a deckchair at the top of the city and enjoy the carefree summer mood in the company of your friend the book!

You will find the Castle Reading Corner on sunny weekends between 10.00 am and 6.00 pm from the beginning of June to the end of September in the defensive moat under the bridge in front of the main entrance to the castle.

On a wooden platform built around the **Pipers' Tower** (first mentioned in 1544), every day at 11 o'clock, the Castle Pipers sounded a fanfare on three trombones and a cornet, announcing to the townsfolk that 12 o'clock (lunchtime) was approaching. It is not known when this custom died out, but sources still mention it as late as in the seventeenth century. Although this music making was probably not the pipers' most important task, we decided to revive it because of its charm and as a tribute to the memory of the Castle Pipers. Unfortunately, the **Castle Pipers** can no longer sound from the Pipers' Tower, as it has been badly damaged. Instead, they announce the approach of lunchtime from the Viewing Tower every fine Saturday at 11.30 am from the beginning of June to the end of September.
